

Role

Adam is the manager of our office, staff and contracts in the Brisbane area. He is responsible for developing client relationships and procuring new work. Adam also performs surveys on building sites and civil construction sites.

About

Adam achieved his Associate Degree in Surveying from the University of Southern Queensland in 2002 and is a Registered Associate with the Queensland Board of Surveyors.

He is currently studying for his Masters in Business Administration through the University of Southern Queensland.

A lifelong Brisbane local, Adam has been working as a surveyor in the area for over ten years.

Experience
